

Visiting My New Classroom for Next Year

Su M **T** W Th F S

On Tuesday 3 December 2024, from 9am to 10:30am all students will visit their new classroom for next year.

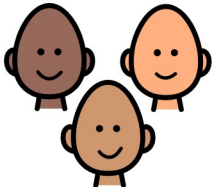

At 9am there will be a siren.

I will walk to my 2025 classroom with my pencil case.

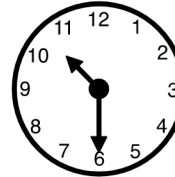

If I am unsure where my new classroom is, I can ask my teacher.

There will be staff around the school to help everyone find their new classroom.

I will meet my new teacher and classmates in my new classroom. My new teacher will have fun activities for us to do.

At 10:30am there will be a siren. I will walk back to my usual classroom and get ready for recess.

If I have any questions, I can ask my teacher.
