

Nominations for Student Councillor and Faction Leaders in 2024

A student leader at Piara Waters Primary School always demonstrates the school's five values:

*** Respect * Responsibility * Cooperation * Generosity * Participation ***

A student leader will need to demonstrate all of the school values at all times, be organised in all school and classroom expectations, confident in speaking in front of an audience, have the ability to work in a team, be able to work independently, share ideas confidently and support other students' ideas. Some duties may occur before school.

Do you have all of these qualities?

Then you would make a great candidate for a Piara Waters Student Councillor or Faction Leader. Please talk with your classroom teacher and family and should you wish to nominate, please hand your signed form to the office by the **30 October 2023**. Students may nominate for both positions but will need to indicate their first preference as they can only be selected for one.

On **8 November** all candidates will present a short speech to the Year 4 and 5 classes (1 minute). The Year 4 and 5 students and staff will then vote.

Successful nominees will be presented with their badges at the end of year concert. At the beginning of 2024 they will receive an agreement outlining their duties and responsibilities which they will sign and need to uphold to retain their position.

I _____ wish to nominate for the position of **Student Councillor** and/or **Faction Captain** (please circle) for 2024. My first preference is

_____.

I demonstrate the school values and believe that I am a good role model for my fellow peers and school community.
