2024 Applications for Kindergarten and Pre-Primary

Applications for enrolment close for 2024 Kindergarten and Pre-primary students on Friday, 21st of July. Applications may be accepted after this date, but only if there is space available.

You can find out more and download an application for enrolment form from our website. You can also get a hard copy form from our front office or your child's Kindergarten teacher.

All Kindergarten students MUST re-enrol in Pre-Primary. The good news is, another enrolment process is then not required until your child starts year 7!
