

Dear Parents

2020 SCHOOL CHARGES AND CONTRIBUTIONS

In consultation with the School Board, we have prepared the schedule of Contributions and Charges for 2020.

1. Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$60.00 per student.

Money collected will be used to supplement school expenditure in the curriculum learning areas.

We provide the following options to assist parents making their contribution.

Option 1 A single contribution of \$60.00.

Option 2 Four equal contributions, each of \$15.00 made in the first week of each term.

2. Charges for Extra Cost Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions, activities for 2020 have been included in the table attached.

We offer the opportunity to pre-pay items indicated as "Charges" on the Voluntary Contributions and Charges Schedule. **Please do not** pay the items marked as "Other Optional Costs/Services" up front or to the school as these are payable on request to an outside entity providing a service.

Any unused money can: -

- be applied to other activities as itemised on schedule as requested by parents
- stay on the students account for use in future years and applied to other activities as itemised on the schedule.
- refunded at the end of each year upon request by the parent.

The schedule includes costs associated with:

- Specific learning activities and available to **all** students, but conditional on a payment being made e.g. incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made e.g. PEAC, Music program, etc.
- Other activities available to all students, but conditional on a payment being made e.g. graduation lunch, camps, etc.

3. Items for Personal Use

The list of items for personal use will vary from student to student and includes:

- Pupil requirements for all students and used in lessons
eg stationery items, calculator, etc.
- Pupil requirements recommended but not essential for all students
eg tissues, art shirt, etc.
- Pupil requirements for selected students and not directly part of the educational program
eg class photographs, Year 6 leavers' shirts, Camps etc.

All materials can be purchased through Campion, however you are not obliged to use this supplier. Your child will need to have the listed materials and you may need to replace some items, such as pens or pencils, throughout the year.

QKR is our preferred payment method for voluntary contributions and charges. Included with this letter is an information sheet to assist with setting up the QKR App. Direct Deposit and EFTPOS will also remain available payment options.

I look forward in anticipation to your support of high quality learning programs at Piara Waters Primary School.

Regards
